

The Birds and the BBVs

The Bites

The Bites – informative online sessions in your lunch break.

AHCWA in partnership with ACCHS, Government and Non-Government organisations host online lunchtime sessions about all sorts of sexual health topics.

On the menu for August is:

Tuesday 13 August, 1.00 - 1.30pm	Kath Mazzella will present a Bite on Gynaecological Cancer Awareness: Kath has a vast history of advocacy empowering and educating women about Gynaecological Cancer awareness and was awarded Senior West Australian of the year in 2018 and 2012. Click here to join the meeting
Tuesday 20 August, 1.00 - 1.30pm	Rebecca from Embrace Change will present a Bite on Menopause Matters: Rebecca is one of the founders of “Embrace Change” and has a deep personal understanding of the challenges women face during midlife and a shared passion to empower and support women during this transformative time. Rebecca will discuss current treatments including HRT and resources available and would love to find out more about how Aboriginal women can be better supported through this time in their lives. Click here to join the meeting
Tuesday 27 August, 1.00 - 1.30pm	Lea from WA Cervical Cancer Prevention Program (WACCPP) will present a Bite on Cervical Screening: One of the aims of the WACCPP is to build the capacity of health professionals to deliver high quality cervical screening services. Lea will be available to answer any clinical questions that staff have in relation to Cervical Screening and self-testing. Click here to join the meeting
