# "Pathology and Syphilis Specimen Collection"

The Sexual Health and Blood-borne Virus Program (SHBBVP) is coordinating a series of videoconferences designed to provide current information and updates related to the outbreaks of infectious syphilis in Western Australia.

**Date:** Wednesday October 9<sup>th</sup> 2024

**Time:** 12:00-12:30PM

**Venue:** This presentation will be delivered via Microsoft Teams. Please see link below.

**Presenters:**

- Dr Hannah Gooding, Consultant Microbiologist, PathWest

**About this videoconference:**

Dr Hannah will present the main reasons for pathology-initiated cancellations of syphilis serology and provide tips and guidance on the collection of syphilis serology samples.

**Videoconference Information:**

The session will be provided via videoconference and recorded. The recording will be made available on the WA Syphilis Outbreak Response [website](#) after the event.
